

1. Incident Name		Report #:	IMS 201	2. Date/Time Initiated	
HIRA Category	Threat Description	Location	Date	Time	
PS3	Civil Disorder	Toronto	2022-02-04	15:00 EST	
3. Background (Description of Threat/Event)					
a. Protest in response to the mandatory COVID-19 vaccination policy for commercial cross-border truckers that came into effect 2022-01-15. b. Original "Convoy for Freedom" made its way across Canada to Ottawa on 2022-01-29. The Queens Park/Toronto rally is the latest event being organized through social media and is scheduled to begin on 2022-02-05.					
4. Current Situation					
a. Public Safety and Security (1) Incident Command (IC) for the event is Toronto Police Services (TPS). (2) OPP is working with local police in affected areas as convoy makes its way through various towns in southern Ontario to Queens Park. (3) Protest is scheduled to arrive at Queen's Park in Toronto's downtown core at 12:00 hrs. (4) Counter-Protest – A counter-protest has been scheduled; concerns have been raised that health care workers / residents will be near hospital locations in downtown. b. Transportation networks (1) Significant traffic volume on major highways can cause slower than normal travel, however no significant road closures have been announced at this time. (2) No significant impacts have been reported at any provincial or international border crossings. (3) Planned meet up locations are as follows, according to social media. i. 95 First St. - Orangeville ii. Vaughan Mills - Vaughan iii. Scarborough Town Centre, Toronto East iv. Yorkdale Mall – North York v. Sherway Gardens – Etobicoke vi. Square One – Mississauga vii. 403 & Dundas - Oakville c. Food/water (1) No reports of significant impacts. d. Electricity (1) No significant impacts expected. e. Gas and Oil (1) No reports of significant impacts. f. Health Care (1) Traffic volume in Toronto may impede emergency services. TPS has closed access to University Ave to general traffic for the weekend to keep emergency routes open. Staff, workers, patients, family and people collecting patients will have access. (2) Protests may exacerbate the current health care situation as hospital capacity remains a concern due to COVID-19. (3) There is a potential for delays, disruptions, or closures of vaccine clinics and testing centres, as was the case during Ottawa protests. g. Communications Systems (1) There are no reports of significant impacts. h. Financial Institutions (1) There are no reports of significant impacts. i. Continuity of Government (1) There may be localized impacts to Ontario government services, including court services.					

5. Source(s) of Reporting						
a. Ministry of Transportation b. EMO Field Officers c. Ministry of Attorney General d. Municipal and Regional Police Services e. Toronto Office of Emergency Management						
6. Summary of Current/Future Actions						
a. EMO Field Officers are deployed for liaison and to gather information for situational awareness. b. MTO is working in conjunction OPP and are providing traffic control and incident management as requested. c. MOH will connect with key partners, including TPS liaison and other municipal partners for updates to be shared with health partners/facilities in the area of the planned protests. d. The PEOC will run check-in calls for ministry partners over the weekend.						
7. Analysis/ Assessment						
a. The protest is expected to start on Saturday 2022-02-05 and various organizations are preparing to mitigate possible impacts. b. Local public safety organizations and affected municipalities are actively monitoring the event and planning for potential impacts.						
8. PEOC Status/ Current Organization						
a. The Provincial Response Level is Enhanced Monitoring for COVID 19. b. The PEOC is monitoring this event for any consequence management issues.
